

As a result of adding the 80+ kindergarten students to our bus routes this Wednesday, August 31st we are noticing that some bus times are changing. Please go to the busing elink on the district web page prior to Wednesday to check the most up to date busing information on your child. For kindergarten parents, please make sure you select KA for AM, KP for PM, and K for KED. If you have any questions, please contact the transportation department at (847)464-6052.

Due to the large number of students now walking home from school, effective Tuesday, September 6th car riders and walkers will be dismissed at the 3:15pm bell and will be walking out the closest exit to their destination whether that be home or a car in the parking lot. Please be advised that a supervisor will no longer be checking off students at the main entrance. We will continue to have a log of car riders and a supervisor present for safety of exiting only. Teachers will be dismissing only students with the proper notes on file each day for walkers and car riders. Please make sure to notify the teacher and an office staff member of any changes to dismissal as all bus riders will continue to be placed on the bus unless otherwise notified in writing. As a reminder, dogs or animals of any type are not allowed on school grounds. Thank you for your cooperation and please contact me if you have any questions.
