

Student Lunch Account Balance Policy

Effective during the 2009/2010 school year, all **positive and negative** balances will follow the students from grade to grade or school to school.

Your cooperation in getting the negative balances paid as soon as possible would be appreciated.

Beginning in August 2009, a new School Lunch payment policy was implemented; an alternative lunch of a Cheese Sandwich and milk will be substituted for the regular meal if you have a \$50.00 negative balance **per family** until the balance is paid.

If you need more information, please contact the Central High School Kitchen at (847) 464-6043, between hours of 8:30 am and 12:00 pm and ask for Margene or Pat.
